## ARTICLE XII

### INDEMNIFICATION

12.01 Indemnity by SkyPower and the SkyPower Shareholders. SkyPower and each SkyPower Shareholder shall, severally and not jointly, indemnify and hold harmless the Purchaser and its Affiliates together with their respective directors, officers, employees and agents (each a "**Purchaser Indemnified Party**") from and against all claims, damages, losses, liabilities, costs, deficiencies and expenses (including, without limitation, investigative costs, settlement costs and any reasonable outside legal, accounting or other expenses for investigating or defending any actions or threatened actions) (collectively, the "**Losses**") to which any Purchaser Indemnified Party becomes subject, which Losses arise out of or are incurred in connection with each and all of the following:

(a) any breach of any representation or warranty made by SkyPower or any SkyPower Shareholder in this Agreement or as re-certified in a certificate delivered by SkyPower or any SkyPower Shareholder at the Closing;

(b) any breach of any covenant, agreement or obligation of SkyPower or any SkyPower Shareholder contained in this Agreement;

(c) any fraud or willful misconduct by SkyPower or any SkyPower Shareholder in connection with this Agreement or the transactions contemplated by this Agreement; and

(d) any claims or Liabilities for purchase price or indemnification or breach of any covenant, representation or warranty or other matters arising out of the sale of any Assets or Subsidiaries by SkyPower or any SkyPower Shareholder prior to the Closing Date.

12.02 Indemnification by Purchaser. Purchaser shall indemnify and hold harmless each SkyPower Shareholder and its respective agents (each, a "**Shareholder Indemnified Party**") from Losses to which any Shareholder Indemnified Party becomes subject, which Losses arise out of or are incurred in connection with each and all of the following:

(a) any breach of any representation or warranty made by Purchaser or Acquisitionco in this Agreement;

(b) any breach of any covenant, agreement or obligation of Purchaser or Acquisitionco contained in this Agreement; and

(c) any fraud or willful misconduct by Purchaser or Acquisitionco in connection with this Agreement or the transactions contemplated by this Agreement.

12.03 Claims for Indemnification. A Party seeking indemnification (the "**Indemnified Party**") under this Article 12 shall give written notice (a "**Claim Notice**") to the other Party (the "**Indemnifying Party**") as soon as practicable after the Indemnified Party becomes aware of any fact, condition or event which may give rise to Losses for which indemnification may be sought under this Section 12.03 (a "**Claim**"). The failure of the Indemnified Party to timely give a Claim Notice to the Indemnifying Party hereunder shall not affect the Indemnified Party's rights to indemnification hereunder, except and only to the extent that the Indemnifying Party demonstrates actual damage caused by such failure. No Purchaser Indemnified Party shall be entitled to make a Claim until such Claims, in the aggregate, exceed US\$1,000,000.00; provided however that once such Claims exceed this threshold amount, Claims may include the threshold amount.

12.04 Defense. In the case of a Claim involving the assertion of a claim by a third party (whether pursuant to a lawsuit or other legal action or otherwise, a "**Third-Party Claim**"), the Indemnifying Party may, upon written notice to the Indemnified Party, take control of the defense and investigation of such Third-Party Claim if the Indemnifying Party acknowledges to the Indemnified Party in writing the obligation of the Indemnifying Party to indemnify the Indemnified Party with respect to all elements of such Third-Party Claim. If the Indemnifying Party assumes the defense of any such Third-Party Claim, the Indemnifying Party shall select counsel reasonably acceptable to the Indemnified Party (and separate from counsel to the Indemnifying Party if there is any conflict or divergence of interest between the Indemnifying Party and the Indemnified Party) to conduct the defense of such claims or legal proceedings and, at the sole cost and expense of the Indemnifying Party, shall take all steps necessary in the defense or settlement thereof. The Indemnifying Party shall not consent to a settlement of or the entry of any judgment arising from, any such Third-Party Claim, without the prior written consent of the Indemnified Party (which consent shall not be unreasonably withheld or delayed). The Indemnified Party shall be entitled to participate in (but not control) the defense of any such Third-Party Claim, with its own counsel and at its own expense; provided, however, that the Indemnified Party shall be entitled to settle any Third Party Claim involving

criminal penalties, civil fines without the consent, but at the expense, of the Indemnifying Party if the Indemnifying Party shall unreasonably fail to do so after being requested to do so by the Indemnified Party. If the Indemnifying Party does not assume the defense of such Third-Party Claim within twenty (20) days after the date such claim is made: (a) the Indemnified Party may defend against such Third-Party Claim in such manner as it may deem reasonably appropriate, provided that the Indemnified Party shall not consent to a settlement of or the entry of any judgment arising from such Third-Party Claim without the prior written consent of the Indemnifying Party (which consent shall not be unreasonably withheld or delayed), and (b) the Indemnifying Party shall be entitled to participate in (but not control) the defense of such action, with its counsel and at its own expense. Regardless of which Party shall assume the defense of the Third-Party Claim, the Parties agree to cooperate fully with one another in connection therewith. Such cooperation shall include the providing of records and information which are relevant to such Third-Party Claim and making employees and officers available on a mutually convenient basis to provide additional information and explanation of any material provided hereunder and to act as a witness or respond to legal process, in each case to the extent that the Party being requested to provide records and information or to make employees and officers available can do so without waiving any evidentiary privileges to which it is entitled.

12.05 Limitations on Damages. Except for Losses resulting from a Party's fraud or willful misconduct, neither the Shareholder Indemnified Parties nor the Purchaser Indemnified Parties shall be entitled to be indemnified for Losses for any special, indirect, non-compensatory, consequential, incidental, punitive or exemplary damages of any type, including lost profits, loss of business opportunity or business interruptions whether arising in contract or tort (including negligence, whether sole, joint, or concurrent or strict liability) or otherwise; provided that the foregoing shall not preclude the Purchaser Group from proving and recovering its actual losses based on a diminution in the value of the SkyPower Shares and assets purchased under this Agreement. Without limiting the generality of the foregoing, damages recovered by a third party from a Shareholder Indemnified Party or a Purchaser Indemnified Party, regardless of the theory under which such damages were recovered by such third party, including consequential or punitive damages recovered by such third party, shall be considered direct damages for purposes of, and shall be recoverable under, this Agreement.

(a) Notwithstanding any other provision of this Agreement, (i) the maximum aggregate liability of Purchaser to the Shareholder Indemnified Parties shall not exceed \$43,750,000 (fifty percent (50%) of the Aggregate Purchase Price), provided that the maximum liability of Purchaser to any SkyPower Shareholder (as a further limitation and not additional to the foregoing clause) shall not exceed an amount equal to the pro rata portion of such amount attributable to such SkyPower Shareholder based on its shares in SkyPower prior to the transactions contemplated by Section 1.02 (such pro rata amount, the "Shareholder Amount"); and (ii) the maximum aggregate liability of a SkyPower Shareholder to the Purchaser Indemnified Parties under this Agreement shall not exceed its Shareholder Amount, provided that the maximum liability of any SkyPower Shareholder except Adler with respect to breach of Sections 2.01, 2.02, 3.01, 3.02 and 3.03 shall be twice its Shareholder Amount (provided further that for any claim brought by a Purchaser Indemnified Party within eighteen months after the Closing Date, the maximum liability of Adler for a breach of Section 3.01 shall be the Aggregate Purchase Price). Notwithstanding the foregoing, (x) there shall be no time limitation and the aggregate liability to an Indemnified Party, after application of any offset,

shall be unlimited for claims arising from fraud and willful misconduct of such Indemnified Party, (y) the maximum liability of a SkyPower Shareholder to the Purchaser Indemnified Parties for claims with respect to tax matters shall not exceed twice the Shareholder Amount for such SkyPower Shareholder and (z) claims made under Section 12.01(d) shall not be subject to the limitation on claims under Section 12.06 and this Section 12.05(b).

In the event that an Indemnified Party receives insurance proceeds after being paid (or having a Third-Party Claim paid) under an indemnity under this Article 12, then such Indemnified Party shall promptly remit such proceeds to the Indemnifying Party up to the amount previously paid by such Indemnifying Party with respect to such matter. In the event that any Person entitled to indemnification hereunder receives insurance proceeds in respect of a Claim for which indemnification is provided by an Indemnifying Party prior to the date such indemnification payment is due, such payment shall be reduced on a dollar-for-dollar basis by the amount of insurance proceeds received by such Person with respect to such Claim. Notwithstanding anything to the contrary in the two preceding sentences, all amounts in respect of Claims for indemnification shall be paid when due. Each Indemnifying Party shall be fully subrogated to the rights of the Indemnified Party against any other person (including, without limitation, rights against any insurer or under any applicable insurance policy) in respect of any Claim for which the Indemnifying Party is liable hereunder, and the Indemnified Party shall execute and deliver to or upon the request of the Indemnifying Party any written confirmations of such subrogation or other assignment of rights as may reasonably be requested by the Indemnifying Party in order to give effect to such subrogation. Without limiting the generality of the foregoing, in the event that an Indemnified Party receives any insurance proceeds, surety bond payments, or other payments from any other person in respect of any Claim that has been paid by an Indemnifying Party hereunder, such Indemnified Party shall promptly remit such proceeds to the Indemnifying Party. Notwithstanding anything to the contrary in this Section 12.05(b), no Person shall be required to remit any insurance or similar proceeds to an Indemnifying Party if such insurance or similar proceeds are received by such Person from an Affiliate of such Person (unless such Affiliate writes insurance policies for non-Affiliates) or through self-insurance.

12.06 Nature of Remedies. After the Closing occurs, the indemnities set forth in this Article 12 shall be the exclusive remedies of any Shareholder Indemnified Party or any Purchaser Indemnified Party for any breach of warranty, covenant or any other provision of this Agreement or any other claim arising under this Agreement, except for any claims for Losses resulting from a Party's fraud or willful misconduct. Except as preserved in the preceding sentence, each Party expressly waives any right to assert, claim or bring an action arising under this Agreement after Closing, except for a claim for indemnification in accordance with Sections 12.01, 12.02, 12.03, 12.04 and 12.05 above. The Parties shall not be entitled to a rescission of this Agreement or to any further indemnification rights or claims of any nature whatsoever in respect thereof, all of which the Parties hereby waive.

12.07 Offset; Unpaid Claims. If there shall exist any amount payable by any SkyPower Shareholder to any member of the Purchaser Group hereunder on any date upon

which a payment is otherwise due to be made by any member of the Purchaser Group to such SkyPower Shareholder hereunder, an amount equal to such amount shall be deducted from such payment amount and applied to reduce the amount owing by such SkyPower Shareholder to such member of the Purchaser Group. If there shall exist any matter with respect to which a Claim Notice has been delivered by any member of the Purchaser Group to any SkyPower Shareholder, but with respect to which the amount of the indemnification obligation has not been determined (such matter, an "**Unresolved Claim**"), such Person shall have the right to retain any payment that would otherwise be made to such SkyPower Shareholder hereunder an amount equal to the estimate, as reasonably determined by such Person, for such Unresolved Claim, if any until such time as the Unresolved Claim is resolved either between the Parties or by a court of competent jurisdiction. Any unpaid Claims shall accrue interest at a rate of 8% per annum. Purchaser and Acquisitionco shall have the right to treat any unpaid Claim as a preferred capital and to recover such amount in accordance with the priority of payments set forth in the Shareholders Agreement.

12.08 Indemnity Amounts to be Computed on After-Tax Basis; Interest. Any amount of indemnification payable pursuant to the provisions of this Article 12 shall (i) to the extent possible, be treated as an adjustment to the Aggregate Purchase Price, (ii) be net of any Tax benefit actually realized and the then present value (based on a discount rate of eight percent (8%) per annum) of any Tax benefit to be realized by the Indemnified Party (including, where Purchaser, Acquisitionco or SkyPower is the Indemnified Party, their Affiliates), and (iii) be increased by the amount of any Tax required to be actually paid by the Indemnified Party on the accrual or receipt of the indemnification payment (including any amount payable pursuant to this clause (iii)). For purposes of the preceding sentence, the amount of any non-federal income Tax benefit or cost shall take into account the federal income tax effect of such benefit or cost.

15.07 No Third Party Beneficiary. The terms and provisions of this Agreement are intended solely for the benefit of each party hereto and their respective successors or permitted assigns, and it is not the intention of the parties to confer third-party beneficiary rights upon any other Person other than any Person entitled to indemnity under Article XII.

15.08 No Assignment; Binding Effect. Neither this Agreement nor any right, interest or obligation hereunder may be assigned by any party hereto without the prior written consent of the other party hereto and any attempt to do so will be void, except (a) for assignments and transfers by operation of Law, (b) the assignment by any SkyPower Shareholder to a wholly-owned affiliate or subsidiary holding company of such SkyPower Shareholder (provided that such SkyPower Shareholder shall remain obligated under this Agreement and under any applicable Operating Agreement) and (c) that Purchaser or Acquisitionco may assign any or all of its rights, interests and obligations hereunder (including without limitation its rights under Article XII) to (i) a wholly-owned subsidiary, provided that any such subsidiary agrees in writing to be bound by all of the terms, conditions and provisions contained herein, (ii) any post-Closing purchaser of all of the issued and outstanding stock of the SkyPower Shareholders or a substantial part of its assets or (iii) any financial institution providing purchase money or other financing to Purchaser, Acquisitionco or the SkyPower Shareholders from time to time as collateral security for such financing, but no such assignment shall relieve any SkyPower Shareholder, Purchaser or Acquisitionco, as the case may be, of its obligations hereunder. 15.09 Headings. The headings used in this Agreement have been inserted for convenience of reference only and do not define or limit the provisions hereof.

15.10 Dispute Resolution; Arbitration.

(a) The parties agree that disputes under this Agreement shall be resolved pursuant to arbitration in accordance of the rules and procedures of the American Arbitration Association. The place of the arbitration will be New York, New York.

(b) The parties will agree on the appointment of an arbitrator (the "Sole Arbitrator"). If the parties are unable to agree upon a Sole Arbitrator, each party will appoint a person as arbitrator, and those two arbitrators will appoint a third arbitrator (the "Arbitrators").

(c) The Sole Arbitrator or, as the case may be, the Arbitrators appointed above will in its or their absolute discretion, establish reasonable rules to govern all aspects of the arbitration and to ensure that the arbitration is conducted expeditiously. The parties may request that the Sole Arbitrator or the Arbitrators, as the case may be, decide between final and complete proposals submitted by each of the parties.

(d) The decision of the Sole Arbitrator or the Arbitrators with respect to the dispute must be rendered, in writing and must contain a brief recital of the facts and principles upon which the decision was made and the reasons therefor. The decision or award of the Sole Arbitrator or the Arbitrators made pursuant to this Schedule is final and binding upon each of the parties and there is no appeal therefrom. Thereafter, any action may only be for the purpose of enforcing the decision or award and the recovery of costs incidental to the action.

(e) The decision or award of the Sole Arbitrator or Arbitrators, as the case may be, will be conclusively deemed to determine the interpretation of this Agreement or any Operative Agreements and the rights and liabilities as between the parties in respect of the matter in disagreement.

(f) Except as may be otherwise agreed by the parties, or as may be ordered by the Sole Arbitrator or the Arbitrators, the Sole Arbitrator or the Arbitrators will be entitled to its or their usual charges for services rendered to be paid equally by the parties.

(g) Subject to this paragraph, no dispute that is or may be the subject of a submission to arbitration in accordance with this Section will give rise to a cause of action between or will be made the subject matter of an action in any court of law or equity by either of the parties unless and until the dispute has been submitted to arbitration and finally determined in accordance with this Section and any action commenced thereafter with respect to the dispute may only be for judgment in accordance with the decision of the Sole Arbitrator or the Arbitrators, as applicable, and the costs incidental to the action. In any action of this sort, the decision of the Sole Arbitrator or the Arbitrators, as applicable, will be conclusively deemed to determine the rights and liabilities between the parties in respect of the dispute.

Notwithstanding the foregoing, if the actions or inactions of a party are, in the honest view of the other party, producing or likely to produce irreparable harm that cannot be adequately compensated for by damages or that will result in damages that are difficult to estimate, the aggrieved party may apply to a court for injunctive or mandatory injunctive relief to remedy the situation pending the conduct of arbitration. The court before which the proceeding is brought may, if it determines that arbitration would not, in the circumstances be beneficial to a continuing relationship between the parties, grant the aggrieved party the right to proceed with

an action notwithstanding the otherwise general application of arbitration as the chosen mode of dispute resolution.

(h) The parties desire that any dispute that is to be determined in accordance with the dispute resolution provisions should be conducted in strict confidence and that there will be no disclosure to any Person of the fact of the dispute or any aspect of the dispute except as necessary for the resolution of the dispute. Any hearing will be attended only by those Persons whose presence, in the opinion of any party or the arbitrator, is reasonably necessary for the determination of the dispute. All matters relating to, all evidence presented to, all submissions made in the course of, and all documents produced in accordance with the dispute resolution procedure or any order of the arbitrator or created in the course of or for the purposes of the arbitration, including any award or interim award by the arbitrator, will be kept confidential and will not be disclosed to any Person without the prior written consent of all parties to the arbitration except as required to enforce the award or as required by law or as permitted by an order of the arbitrator made pursuant to a motion or application on notice to all parties to the arbitration.

15.11 Invalid Provisions. If any provision of this Agreement is held to be illegal, invalid or unenforceable under any present or future Law, and if the rights or obligations of any party hereto under this Agreement will not be materially and adversely affected thereby, (a) such provision will be fully severable, (b) this Agreement will be construed and enforced as if such illegal, invalid or unenforceable provision had never comprised a part hereof, and (c) the remaining provisions of this Agreement will remain in full force and effect and will not be affected by the illegal, invalid or unenforceable provision or by its severance herefrom.

15.12 Governing Law. This Agreement shall be governed by and construed in accordance with the Laws of New York applicable to a Contract executed and performed in such State, without giving effect to the conflicts of laws principles thereof.

THE FOREGOING CONSENT TO JURISDICTION AND APPOINTMENT OF AGENT TO RECEIVE SERVICE OF PROCESS SHALL NOT CONSTITUTE A GENERAL CONSENT TO SERVICE OF PROCESS IN THE STATE OF NEW YORK FOR ANY PURPOSE EXCEPT AS PROVIDED ABOVE AND SHALL NOT BE DEEMED TO CONFER RIGHTS ON ANY PERSON OTHER THAN THE PARTIES HERETO.
